Sir:

PRELIMINARY AMENDMENT

In order to place the above-identified application in better condition for examination,
please amend the application as follows:

IN THE CLAIMS

Please substitute the following amended claims for corresponding claims previously
presented. A copy of the amended claims showing current revisions is attached.

4. (Amended) A device according to claim 2 wherein the electrode closest to the substrate is the anode.

6. (Amended) A device according to claim 2 wherein the electrode furthest from the substrate is the cathode.

7. (Amended) A device according to claim 5 wherein the electrode modifying layer adjacent to the cathode comprises either MgF_2 or LiF .
